### ETHOS MID MARKET SUCCESSFULLY CLOSES FIRST THREE INVESTMENTS

Within a month of our first closing, Ethos Mid Market Fund I concluded three investments, bringing strategic empowerment credentials to:

- Autozone - Southern Africa's largest, privately-owned automotive parts aftermarket retailer and wholesaler
- Eazi Access - Africa's market leader in the rental, sale and servicing of work-at-height and material handling solutions
- Twinsaver - South Africa's No 1 tissue manufacturer

We represent a unique combination of proven institutional investing and value-adding insights, coupled with sustainable black economic empowerment solutions and transformational impact.
