Ethos voted African Private Equity Firm of the Year*

Ethos would like to thank the readers of Private Equity International and PrivateEquityOnline.com for this recognition, which affirms our ranking as South Africa's leading private equity firm since 2000**.

Ethos is independently owned and managed by a team of investing partners with over 120 combined years of private equity experience. We provide more than just capital; Ethos invests talent, patience and expertise to ensure that the companies into which we invest grow with operational

excellence and strategic delivery. Over the last two decades Ethos has participated in many landmark transactions which have made a lasting contribution to economic growth.

At \$750 million, the sheer size of our newly raised Fund V enables Ethos to invest in opportunities not previously possible and the strength of our strategic investor partners allows Ethos to make exceptionally large acquisitions in partnership.
