

The answer, my friend,
is blowing in the wind

E T H O S

PRIVATE EQUITY

The winds of change will always bring uncertainty but they also create opportunity wherever they blow, spreading seeds of wisdom, experience and new ideas; the most solid foundation for growth.

Ethos enjoys an unparalleled 25 year history of successful

investing across a broad range of economic and political cycles.

It's our innovative thinking, patience and inventive approach that enables Ethos to evaluate and execute transactions, generating value for investors and business partners alike, that sets us apart. www.ethos.co.za

BUILDING BETTER BUSINESSES
